

Innovation
that excites

NISSAN NV350

Meet The Nissan NV350.

Whatever your needs, our range of NV350 variants have the capacity, the comfort and the fuel-efficient performance that you are seeking in a business partner.

Innovations of the Nissan NV350.

Thoughtful interior.

Every aspect of the cockpit is designed and laid out for comfort and ease of use.

Powering ahead.

A powerful, fuel-efficient engine with a low maintenance to get the job done efficiently.

Styled for safety.

Beneath the good looks lies a wealth of advanced features to keep you and your passengers safe.

Built for the long run.

Durable construction makes the NV350 a reliable workhorse.

Modern and Neat Cabin.

Providing a feeling of lateral spaciousness.

- 01 Large Glove Compartment**
Enough room to accommodate a variety of items.
- 02 Dashboard Storage Tray**
Provides handy and easily accessible storage.
- 03 Seat Back Console**
Seat back console with lid has room for storing additional items. (Panel Van variants only)
- 04 Additional Storage**
Additional upper-tier storage to keep more items.
- 05 Lower Centre Tray**
Holds two 500ml drink bottles and features a vent from the air conditioner to help keep drinks cool.
- 06 Multi Functional Display**
Provides the driver with real-time fuel efficiency information, shift timing (Manual variant only), as well as odometer and trip meter data.
- 07 Front Cup Holders**
Holders for your drink bottles and cans for you and your passenger.

Don't Worry. Everything Will Fit.

The NV350 provides enough cargo space for easy loading and unloading. Every detail has been improved for optimum convenience and functionality.

Biggest Loading Capacity
in its Class
▶ **1500kg**

Number of Loading Doors
▶ **3 doors**

Cargo Volume
▶ **6.0m³**

Cargo Area Height
▶ **1350mm**

Opening Height
▶ **1275mm**

Cargo Area Width
▶ **1545mm**

Opening Width
▶ **1370mm**

Cargo Area Depth
▶ **2865mm**

NV350 Panel Van

Smart and Convenient.

Design, comfort and utility are the key attributes of the NV350. And the wide line-up offers an even greater selection of variations to meet your needs.

Individual Air-Conditioning

Individual vents for each passenger.
(Caravan only)

Factory Rear Air-Conditioning

Allows faster cooling of the rear cabin for passengers.
(Microbus and Caravan only)

Keyless Entry

Keyless entry system with alarm for convenience.

Easy Egress & Ingress

More knee space and a helpful grip and pad make it easy to get in and out.

Chrome Wing Mirrors

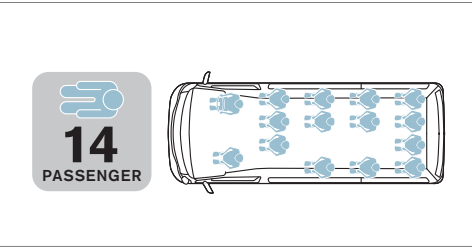

Stylish chrome wing mirrors with side indicators for added safety.

Auto Door Suction

Allows the sliding door to close gently without slamming.
(Microbus and Caravan only)

Spacious Setting

Accommodate more passengers with this seating arrangement. (Caravan only)

Crisp & Stylish

Distinctive rear combination taillights.

Distinctive V-Motion Grille

Dynamic front end design with a three-dimensional, imposing angled strut grille.

Powerful, Economical and Comfortable.

The NV350 has a fuel-efficient diesel engine that delivers excellent performance and provides for an exceptionally quiet, comfortable ride, evoking a feeling of reliability for all on board.

YD25DDTi

2.5-liter DOHC Direct Injection 16-Valve

Max. power :
95kW(129PS)/3200rpm

Max. torque :
356Nm(36.3kg-m)/1400-2000rpm

Nissan's YD25DDTi turbo diesel engine with intercooler delivers excellent fuel efficiency and powerful acceleration with best-in-class torque. It is equipped with an advanced DPF (Diesel Particulate Filter) system. A manual switch lets you activate the DPF to burn off excess soot for a lower emission level when necessary.

Available in both 5-speed manual transmission (5MT) and 5-speed automatic transmission (5AT).

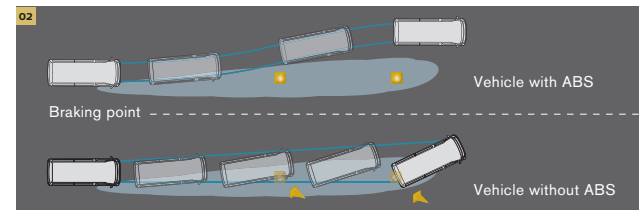

SAFETY SHIELD

Nissan's Concept of "The Vehicle That Helps Protect People."

In the area of safety technology, Nissan pursues innovation as part of its "Safety Shield" concept, an advanced, proactive approach to safety issues based on the idea that cars should help protect people. This approach provides various measures to help the driver and passengers better avoid dangers in ways that are optimized to each of a wide range of circumstances that the vehicle may be in, from "risk has not yet appeared" to "post-crash."

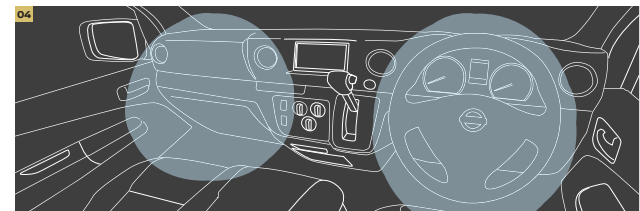

01 Rear under-view mirror / Rear wiper and defogger make it easier to see for optimum safety when backing up.

02 ABS and Brake Assist
Nissan's Anti-lock Braking System (ABS) helps prevent skidding during emergency braking. Brake Assist (BA) enhances full braking performance in emergency situations.

03 Zone Body construction enhances cabin safety by combining impact-absorbing "crushable zones" with a high-strength "occupant zone" to protect passengers.

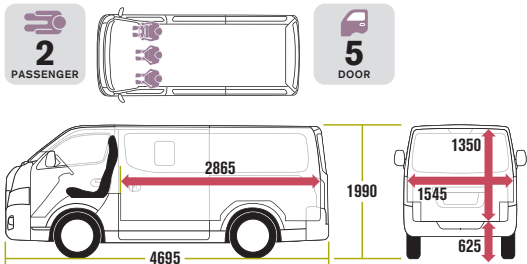

04 SRS* airbags ensures the safety of the driver and front seat passenger and help reduces the risk of injury resulting from an impact. This feature is available for Panel Van & Microbus variants (driver's SRS airbag) and Caravan variant (dual front SRS airbags).
*Supplemental Restraint System.

LOVE THE NISSAN EXPERIENCE

DUO PROGRAMME

DUO is a community specially created by the Tan Chong Group, dedicated solely for customers of Tan Chong. As a **DUO** member, you enjoy exclusive membership privileges and special promotional deals, everything from automobiles to lifestyle privileges. The **DUO** community hosts regular events and activities that allow the coming together and interaction between Tan Chong and its customers. Complete the Nissan Experience by signing up at www.duo.com.sg

GENUINE NISSAN PARTS

While imitation parts are relatively cheaper, they are also inferior in quality and have shorter service life which may result in greater loss to you in the long run. Only **Genuine Nissan Parts** offer maximum performance and reliability, fulfilling the highest quality standards set by Nissan and come with a warranty for greater peace of mind. Quality that clearly makes a world of difference.

NISSAN PREVENTIVE MAINTENANCE PROGRAMME

The **Nissan Preventive Maintenance Programme** is a comprehensive package competitively priced to offer you true value for money. Under this programme, all Nissan cars are maintained in accordance with Nissan's standard and quality so that they are kept in tip-top condition and serve owners well for years to come.
